Short Description

"NOT MY FAMILY, NEVER MY CHILD" A practical handbook for anyone who suspects (or knows) someone they care about is a drug user.

Description

Drawing on the tragic loss of his son to a heroin overdose and over 20 years working as a counsellor, Tony Tringham cuts through the hype to address the real issues facing the families and friends of anyone struggling with drug problems.

Filled with constructive suggestions and strategies, Not My Family, Never My Child provides support, advice and guidance to the parents, siblings and loved ones of drug users – and the users themselves – they make their way through the difficult journey of drug dependency. It includes

detailed information on: warning signs, early intervention, coping and survival strategies, treatment, and where to go for additional advice and support.

Drawing on real stories to illustrate the challenges – and the successes – that can and do arise, Not My Family, Never My Child is an invaluable tool that with help families and friends get through this time in their loved one's life.
